

Once upon a time there was a little girl called Scarlett,

When she was walking home from school she fell into a puddle and only her hands got dirty.

When she got home she washed her hands when she was done then she turned on the news. When she turned it on there was breaking news on the news!

the breaking news was that:

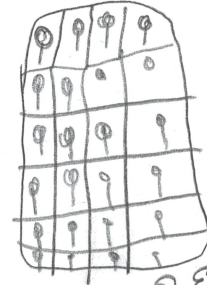

a sickness has broken out and its called the corona virus and we'r gonna stay at home until this disece go's away.

When Scarlet saw the breaking news she started to tell her family and friends to wash thier hands for at least 20 seconds.
